

## ENERGY STAR® Manufactured & Modular Homes Collecting the Home Advantage Rebate

To collect the **\$400 or \$700 rebate** from Progress Energy Carolinas for each new Home Advantage home, follow the steps below:

- Step 1 Verify that power will be provided by Progress Energy**  
Ask the homebuyer first. If you aren't sure, contact Gwynne Koch at SBRA at (212) 496-0900 ext. 12 or [gkoch@research-alliance.org](mailto:gkoch@research-alliance.org), and she'll check for you. Be sure to have the homebuyer's name and home address on hand.
- Step 2 Order the home**  
Contact your manufacturer representative for availability and pricing of ENERGY STAR options. When ordering, be sure to request a home that meets the Home Advantage ENERGY STAR requirements.
- Step 3 Select appropriate heating/cooling equipment**  
14 SEER heat pump or air conditioning equipment is required for the \$400 rebate. Homes with 15 SEER equipment are eligible for the \$700 rebate. Contact the home manufacturer and/or equipment supplier for more information.
- Step 4 Verify ENERGY STAR installation items**  
Complete the **Site Installation Checklist** and confirm that the ENERGY STAR labels are affixed to the home. Sign the Checklist and fax or mail the completed Checklist to the manufacturer. Keep a copy for your records.
- Step 5 Apply for any state incentives**  
Homebuyers in South Carolina are eligible for a \$750 state income tax credit and elimination of the sales tax on the purchase price of the ENERGY STAR home. Retailers in North Carolina may be eligible for an additional rebate of \$500 per home under the state's **Upgrade & Save** program (see enclosed information).
- Step 6 Apply for the Home Advantage rebate**  
For each home, fill out a rebate form and provide a copy of the following:
- Completed **Site Installation Checklist**
  - Heat pump or air conditioning equipment invoice or purchase order
  - For the first application, include a copy of the Sales Lot's W9 certificate.
- E-mail, fax or mail the application and all required documentation to:
- PEC Home Advantage Rebate**
