

ENERGY STAR® Manufactured & Modular Homes

Collecting the Home Advantage Rebate

To collect the **\$400 or \$700 rebate** from Progress Energy Carolinas for each new **Home Advantage** home follow the steps below:

- Step 1 Verify that power will be provided by Progress Energy**
Ask the homebuyer first. If you aren't sure, contact Gwynne Koch at SBRA at (212) 496-0900 ext. 12 or gkoch@research-alliance.org, and she'll check for you. Be sure to have the homebuyer's name and home address on hand.
- Step 2 Order the home**
Contact your manufacturer representative for availability and pricing of ENERGY STAR options. When ordering, be sure to request a home that meets the Home Advantage ENERGY STAR requirements.
- Step 3 Select appropriate heating/cooling equipment**
Minimum 14 SEER heat pump or air conditioning equipment is required for the \$400 rebate (higher efficiency equipment may be required for compliance with ENERGY STAR). Homes with 15 SEER equipment are eligible for the \$700 rebate. Contact the home manufacturer and/or equipment supplier for more information.
- Step 4 Verify ENERGY STAR installation items**
Working with your Rater, complete the *Inspection Checklist for ENERGY STAR Modular Homes*. The Rater should submit the signed and completed Checklist and a *Completion Report* to SBRA. Contact SBRA with questions.
- Step 5 Apply for the Home Advantage rebate**
For each home, fill out a rebate form and provide a copy of the following:
- Completion Report and Inspection Checklist
 - Heat pump or air conditioning equipment invoice or purchase order
 - For the first application, include a copy of your company's W9 certificate
- E-mail, fax or mail the application and all required documentation to:
- PEC Home Advantage Rebate**
